

San Diego State University
Society of Women Engineers

To Whom It May Concern,

SDSU SWE would like to cordially invite you to Evening of Professional Development.

When: Monday, October 14th 2019 from 6:00 to 9:00pm

Where: Montezuma Hall located on San Diego State University's campus.

The San Diego State University Society of Women Engineers, a non-profit student organization, would like to extend you an invitation for this year's Evening of Professional Development. Evening of Professional Development is a unique networking event for both students and employers. The evening will begin with a career fair where internship and post graduate career opportunities can be explored. A banquet dinner and keynote speaker will follow the fair. Students will share a table with your representatives giving both your company and students a unique chance to gain personal connections, share guidance and exchange ideas.

San Diego State University covers a wide range of engineering disciplines including Aerospace, Mechanical, Civil, Electrical, Computer Science, Environmental, Construction and Bioengineering. Evening of Professional Development will be open to all engineering and computer science students from SDSU.

We would be honored to have your company participate in Evening of Professional Development. The following page explains different levels of tax deductible sponsorships. Please submit your reservation form by September 15th, 2019 by 11:59pm to reserve your company's spot in the event.

Please submit your reservation to swedsuwp@gmail.com. Once your reservation has been submitted, we will begin the payment process. All payments are due by October 1st by 11:59pm.

Thank you for your consideration. For any additional information please contact Courtney Harr at swedsuwp@gmail.com. We hope to hear from you soon.

Sincerely,

Jade Sommers
SDSU SWE President

Courtney Harr
SDSU SWE Vice President
